

## Legislators' suggestions/questions re Administrative Code:

1. Why do a few departments have the language, "*within the limits of appropriations*" while others do not? (Legislator Jeanette Provenzano)  
Subcommittee first noticed need with Residential Facility...then added to subsequent depts.

### Articles/ Departments that include "*within the limits of appropriations*":

- Residential Health Care Facilities (p.87)
- Commission of Human Rights (p.83)
- Community Corrections (p.106)

### Articles/ Departments that **language could be added**:

- Public Transportation (p.54) – There shall be a Department of Public Transportation, *within the limits of appropriations...*
- Information Services (p.58) – There shall be a Department of Information Services, *within the limits of appropriations...*
- Fire Coordinator & Fire Advisory Board (p.71-72)
- Office for the Aging (p.73)
- County Historian (p.85)
- Environmental Management Council (p.90)
- Employment & Training & Workforce Investment Board (p.95-96)
- Tourism (p.97)
- Traffic Safety & Traffic Safety Board (p.98-99)
- Youth Bureau & Youth Board (p.100-101)

**The remaining Articles/ Departments are either mandated / required by law OR the department is an office of an elected official. In either case, N/A.**
