NATIONAL SCHOOL COUNSELING WEEK PROCLAIMED

David B. Donaldson, Chairman of the Ulster County Legislature, has officially proclaimed February 6 – February 10, 2006 as National School Counseling Week.

In proclaiming the week, Chairman Donaldson said, “School Counselors quietly share the achievements and struggles of their students and families. They are always ready to work with administration, community, faculty and families whenever needed. One week each year, the School Counselors celebrate their profession. The residents of Ulster County are cordially invited to join the celebration and recognize the valuable work provided by School Counselors.”
