Email: mmap@co.ulster.ny.us

BID DESCRIPTION

The purpose of this bid is to establish a price for the furnishing of equipment with operators to work independently, but under the direction of, Ulster County (the "County") in the reclamation of various roads. The projects will include in-place reclamation/recycling of existing pavements on County or Town Roads within Ulster County. The quantities are indefinite. The purpose of this bid is to establish pricing so there will be no delay in obtaining this service when projects arise.

IN-PLACE PAVING OF COUNTY ROADS

Price quoted shall be net per U.S. TON, placed, and properly compacted by the vendor, at the locations specified. The vendor will furnish all necessary materials, paving equipment and labor to accomplish the anticipated work. The anticipated work includes all message boards and construction signage, the maintenance and protection traffic (flagging); mobilization of equipment, the cleaning and preparation of the existing roadway; the cold planning of all intersecting roadways joints and asphalt driveways; the application of tack coat; the hauling of asphalt; the placement and compaction of the asphalt; and temporary and permanent pavement markings. The Ulster County Department of Highways and Bridges will schedule and coordinate the project with the Awarded vendor. The actual roadways to be paved will be determined by the Commissioner of Public Works. All specified thicknesses are after rolling and compaction. All materials shall meet the specification of the associated NYSDOT Item Number.

BID PRICE RETURN FORM (Page 3 of 4)

PAVEMENT MILLING SERVICES

The Awarded vendor is to furnish all equipment, operators, flag people and laborers to perform pavement milling / planing of Ulster County roads. Separate prices are requested for (A) Ulster County providing the trucks to haul away the milled material or (B) the Awarded vendor providing the trucking and hauling the material to an agreed upon stockpile thus working without any assistance from the Ulster County Department Highways & Bridges. Mobilization of Equipment must be included in the square yard pricing.

The Awarded vendor will be responsible for all traffic control and provide the necessary flagmen and construction signage as required by the M.U.T.C.D. (Manual on Uniform Traffic Control Devices) and NYS DOT specifications for the duration of the project.

The undersigned bidder has carefully examined the specifications for pavement milling / planing and agrees to furnish and supply all the materials, equipment, tools and labor necessary to properly remove asphaltic concrete pavement, in strict conformance to the detailed specifications attached. No deviations, amendments, or alternative methods of operations or specifications will be considered.

Bidders are requested to furnish prices per square yard to remove asphaltic concrete pavement at varying depths. Mobilization of Equipment must be included in the square yard pricing.
